School Admission Policy

Dear Parents,

Warm greetings!

We are excited to share important updates regarding the education framework for young children as per the National Education Policy (NEP) 2020.

The Foundational Stage encompasses three years of early childhood education designed for children aged 3 to 6 years.

Following this foundational education, we will offer Classes I and II, which cater to children aged 6 to 8 years. This transition aims to provide a seamless integration of foundational skills into more structured learning environments.

For admission purposes, please note the following age requirements:

K G I (Balvatika I): Completed 3 years (as of 31 March 2026)

KG II (Balvatika II): Completed 4 years (as of 31 March 2026)

KG III (Balvatika III): Completed 5 years (as of 31 March 2026)

Class I: Completed 6 years (as of 31 March 2026).

A Transfer Certificate (TC) from the previous institution is required for admission, except for Balvatika.

Please note: Admission to the foundation stage (Pre-KG to Class 2) will not be granted if the child does not meet the required age criteria. This restriction applies even if the child has a valid Transfer Certificate (TC) from a recognised school in India or Oman.

Meeting these age requirements is essential for enrollment, ensuring that each child is ready for the curriculum and activities designed for their developmental stage.
